QEHS POLICY

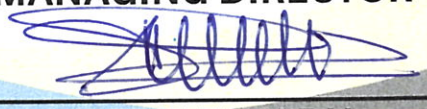

The durable business success of **EXCELTECH SOLUTIONS SDN BHD (ETSSB)** is our ability to continuously improve the quality of our services and products while protecting people and the environment. Importance on ensuring occupational health, operational safety, environmental protection, quality enhancement, and harmony. This commitment is in the best interests of our customers, our employees, contractors, who serves us, our management, and the communities in which we live and work.

ETSSB always committed and responsible for QEHS. Our Management has a leadership role in the delivering and executing QEHS policies and standards. We are committed to:

a. Accomplish customer requirements and provisions for continuous customer satisfaction.
b. Protect and strive for improvement on the health , safety and security of our people at all times;
c. Eliminate or minimise quality non-conformances and health, safety and security incidents and accidents;
d. Comply with all applicable legal and other requirements to eliminate operational health and safety risks and to prevent environmental pollution;
e. Set QEHS Performances objectives, measure results, as well as assessing and continually improving processes, services and product quality, through the use of an effective management system;
f. Plan for, respond to and recover from any emergency, crisis and business disruption;
g. Make the most efficient use of natural resources and minimising negative environment impact in our operation;
h. Communicate and consult openly with all employees and ensure their participation and an understanding of our QEHS policies, standards, programs and performances. Reward outstanding QEHS performances;
i. Continuously seek improvement in occupational health, safety and environmental performance, taking into account evolving people, community and management practices;
j. Periodically review the adequacy, suitability and effectiveness of the QEHS management system; and
k. Mitigate the impact of any foreseeable hazards and process / business risk, which may endanger health, safety and the environment, or could affect the quality of the products and services we provide.

This policy shall be regularly reviewed to ensure ongoing suitability. This is critical to our business success because it allows us to systematically minimize all losses and add value to all our stakeholders. This policy is available to publicly on www.exceltech-solutions.com.
